# MEMBERS' OPEN: SMALL WORKS

The Annual Small Works Exhibition is a fantastic venue for holiday shopping! If you purchase a piece, you can bring it home with you that same day instead of waiting for the conclusion of the exhibition.

Each year PAAM mounts upwards of 5 members’ open and juried exhibitions in which participants display their work alongside some of America’s most noteworthy artists. These exhibitions represent the work of PAAM’s contemporary artist-members, many of whom live on Cape Cod either full-time or for part of the year. While the work varies greatly in media and approach, each artist-member joins a long roster of distinguished artists who have studied, taught, and exhibited at PAAM over the past 100 years. There is no submission fee for members’ exhibitions, but membership must be up to date.
