unframed, discoloration & grime at edges

Diana found this in the mix of the HC Smith collection, and made a label according to the artwork receipt and the information that existed in the vault book.

Diana found this in the mix of the HC Smith collection, and made a label according to its attached artwork receipt and what was already in the vaultbook (modified the location).

This is the artist's title. (This piece was found in the HC Smith collection but had no proper label: Diana created a label based on its gift receipt in 2009 and vault book information).
